

## Kit & Kaboodle Program Evaluation

Facilitator

**Healthy Child Coalition – Steering committee welcomes your feedback on the Kit & Kaboodle family literacy program.**

1. What has been your role in planning, starting and delivering the Family Literacy program?
2. What got in the way of delivering the program?
3. What helped you along the way to deliver the program?
4. What have you learned about doing the program, what worked, what didn't, what changed along the way?
5. What changes if any would you recommend to the program?
6. Now that you have delivered the program, what differences have you observed the program activities making to parents, children, families?

*Thank you!*
